

4th Annual Mother Lode Wine and Art Festival

Saturday, August 15th - Cedar Center, Arnold

2:00 PM to 8:00 PM

Come join Tallahan's Café and other sponsors for the 4th annual Mother Lode Wine and Art Festival, a fund raiser for the Calaveras Humane Society.

This event combines a variety of local artists displaying and selling their goods, local wineries offering wine tasting, great live music, good food and, of course, CHS Adopt a Pet. Face painting and other fun things will be available for the kids. Raffle prizes will also be offered - all in the themes of animals, art and wine.

Art Festival and live music will run from 2PM to 8PM. Wine Tasting be available from 2PM to 5PM. Food and beverages, including wine and beer, will be available for sale throughout the event.

The event is free. Wine tasting will be \$15.00 per person and includes a commemorative glass and a "passport" to taste at the various winery booths.

Our early sponsors are Angels Camp Vet Hospital and Dr. and Mrs. Doug Grover, Mother Lode Veterinary Hospital, Murphys Nursery and Ebbetts Pass Gas Company. Thanks to these great supporters and to Tallahan's Café.

Cedar Center offers a shady grassy area in the Sierras, so bring your lawn chairs or picnic blanket and beat the valley heat !
